Introduction: TECHWINGS FROM DST-TEC – Details of the incubatees

DST-TEC at SPPU supported following incubates during July to Dec 2022.

Sr No	Name of the company/start up	Description of support provided at DST-TEC at SPPU
1	Mechatronics Technical Systems, Gatesons Infotech India, IICRM pvt Ltd, Yogini Enterprise, Bioclinarc, Skyleap Life Science, Devanshi Group, Swaraj Robotics, Digitech Controls, V2M Operations, Span One Engineering	Connects and access market, Networking and mentoring (B2B and B2C)

Activities carried under DST-TEC at SPPU during July 2022 – Dec 2022:

Following table presents a summary of the activities carried out under DST-TEC at SPPU during July 2022 – Dec 2022:

Date	Activity	Outcomes
15 th July 2022	Online workshop on Mechanical Ventilation: Introduction to Respiratory System	81+ participants from various medical institutes participated, feedback was good.
August 2022	10 IPR awareness online sessions	~200+ stakeholders participated, Introduction to Intellectual Property Rights and its relevance in current scenario, Introduction to Designs In IPR, Introduction to Trademark and Copyright law
26 th September 2022	On-line IoT workshop for POCs	68+ participants, hands on skills were imparted for designing and developing IoT (Internet of Things) skillsets for quick creation of POCs. Participants gave positive feedback as these skill sets will help them convert their ideation into prototype systems.
16 th October 2022	Pre-incubation 4.1	28+ stakeholders, pre-incubation activity, ideation, quizzes, cash prizes. 4 group selected for furtherance.
November 2022	4 On-line IPR workshops	12+ incubated participants, Trademark and Copyright filing procedure – Do's and Don'ts, Patent application procedure, Introduction to Designs In IPR, Trademark infringements and how to deal with them
18 th December 2022	On-line session on IT Healthcare	29+ participants, AI applications in Healthcare, Digital technology & Medical mentoring, Improving patient safety using software, Digital platforms for Quality Improvement

Glimpses of various activities conducted:

Various Activities conducted from July to Dec

Various activities conducted from Jan to June 2022. All the activities were conducted in hybrid online + offline mode as per norms. This gave clear idea on Technology Infra-footprint of SPPU TEC, current associations, start-up space and corporate quadrants to the potential stakeholders.

Success story 4.1 incubated at TEC:
