Instructions

Please read the following instructions carefully.

- The clock displayed has been set as per our server time. There is a countdown timer at the top right corner of the screen which will display the time within which you have to complete the exam.
- The exam will start at the exact time as notified in the final date sheet.
- Click one answer from the options (radio buttons) to select your answer.
- Click on SAVE & NEXT to save the answer before moving to the next question. The next question will automatically be displayed.
- Make sure you click on SAVE & NEXT button every time you want to save your answer.
- The answer once saved cannot be changed.
- The colour coded diagram on the right side of the screen shows the status of the questions:
 - + White - you have not visited the question
 - + Red - you have not answered the question
 - + Green - you have answered the question
- When the stipulated time gets over (counter shows 0) then your answers will be submitted automatically, and you will not be able to make any changes.
- If there is a power failure or network problem while you are attempting the exam, you may login again after the problem is resolved and continue the exam. You can start the test from the same point and attempt the remaining questions.
- After you start the examination it will end automatically after the stipulated time elapses provided you are logged in to the exam portal during the time elapses.
- If you close the exam window without ending the test, your result will NOT be considered.
- Once the examination time is up, you will not be able to attempt it again.
- You need to complete the exam in the mentioned time only. Extension in time is not allowed. The exam can be attempted only on the scheduled dates & Time mentioned in final date sheet and on your hall Ticket.
- The candidate should ensure that during the exam no other screen is opened.

End Test

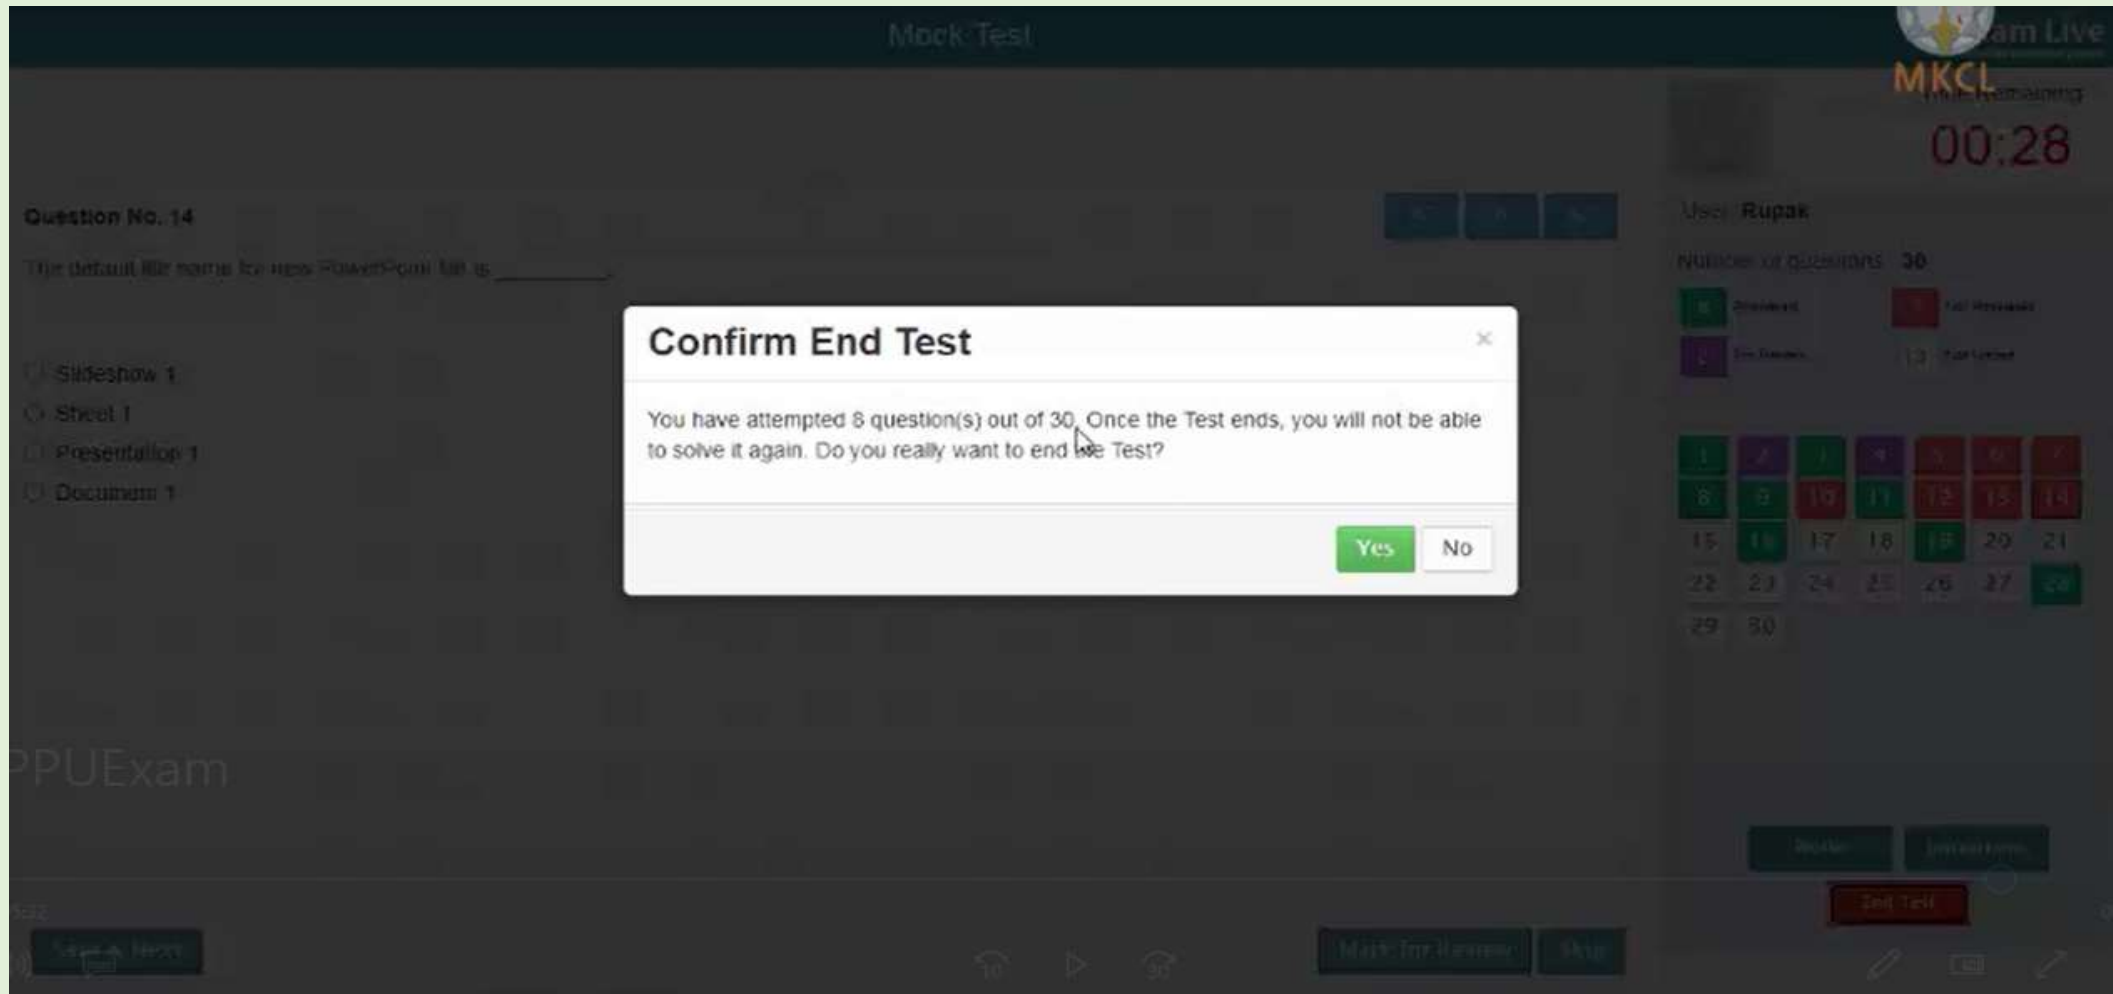

After giving answers of all the questions click on  button.

The screenshot shows an online exam interface. At the top, a teal header contains the text "Mock Test 001" on the left and the "Exam Live" logo on the right. Below the header, the main area is divided into a question section on the left and a sidebar on the right. The question section displays "Question No. 1" and the text "In Microsoft Word, default zoom level of a document is _____". Below this text are four radio button options: "0.25", "0.15", "1", and "0.75". A "Save & Next" button is located at the bottom left of the question area. The sidebar on the right contains a user profile icon, the text "Time Remaining 03:34", and a progress indicator showing "Number of questions: 10" with a green circle for "Answered" and a red square for "Not Answered". Below this is a grid of question numbers from 1 to 10, with question 1 highlighted in red. At the bottom of the sidebar are buttons for "Profile", "Instructions", and "End Test".

After click on “End Test” button, system will show the message for confirmation of “End Test” and show number of question attempted by you. If you sure to end the test then click on “Yes” button

After click on “Yes” system ask candidates password to end the test. After entering the password and click on “Yes” button. Candidates online exam will complete.

The screenshot displays an online exam interface. At the top, it says "Mock Test" and "Exam Live". The user's name is "Rupak". The time remaining is 00:21. The user has attempted 8 out of 30 questions. A dialog box titled "Confirm End Test" is open, asking for the candidate's password. The dialog box shows "Attempted Questions : 8 out of 30" and "Enter Candidate Password" with an input field. There are "Yes" and "No" buttons at the bottom of the dialog box. The background shows a question list and a question grid.
