The purpose of such an endeavor is to inculcate research environment at college level and help teachers at University level to meet their specific needs. BCUD has decided to organize faculty-wise regional research conference entitle 'INNOVATION' at various places in order to facilitate the interaction among these teachers and evaluate the research work done by teachers and provide guidance in respective disciplines. The Principal Investigator is requested to send the abstract along with BCUD sanction letter to the respective place and confirm their participation. Teachers are expected to present their work in the form of PowerPoint Presentation for the projects sanctioned in year 2011-2012 and Posters Presentation for the projects sanctioned in Year 2012-2013. Principal Investigators are requested to communicate with the respective coordinators of the Innovation conference centers.
