

Dear All

We are happy to inform you that the Central Instrumentation Facility at Savitribai Phule Pune University campus is partly functioning. Following instruments have been installed and working satisfactorily.

NMR 500 MHz

LC MS MS

FESEM

This facility is now available to all research students, faculty, government laboratory and industries on payment basis as recommended by University authorities.

For further enquiries please contact [office.cif@unipune.ac.in](mailto:office.cif@unipune.ac.in)  
Please note that there are some teething problem which may cause delay in the results.

Kindly bear with this.

Dilip Dhavale  
Chairman, CIF  
Savitribai Phule Pune University
