Notification

Subject : Conduct and declaration of result of FE Engineering Examination.

In pursuance of the decisions taken by the University authorities, it is hereby notified to all the concern, that the conduct of examination and the declaration of results for FE online examination November, 2011 and henceforth are as follows :

1. It is decided that the repeater candidates of Basic Electronics Engineering and Engineering Mechanics who had previously, before Jan.2011 examination, given only theory paper out of 100 marks (both – section I & II – written exam) are also supposed to give Section I out of 50 marks – online examination and Section II out of 50 marks – written exam, as like as the fresh students, from May / June 2011 examination onwards.
2. It is also decided that, in case of theory subjects of Basic Electronics Engineering and Engineering Mechanics in FE Engineering examination –
 - a). If a candidate remains Absent in either online and/or written examination, but passes in the subject total as a whole, he is to be declared as passed in that theory subject and the passing marks are to be shown as his total marks obtained
 - b). Also the total marks obtained to be shown for these theory subjects should be the total of online examination marks (i.e. say section I) and written examination, section II marks, irrespective of the candidate remaining absent in either of online or theory written examination.
