DIOGENES

Chief Editor : Prof. DAYA KRISHNA

DEPARTMENT OF PHILOSOPHY, NEW BUILDING,
UNIVERSITY OF RAJASTHAN, JAIPUR 302 004 INDIA

ANNOUNCING

The publication of a collection of articles from *Diogenes*, a Quarterly publication of the International Council of Philosophical and Humanistic studies, published from Paris with the support of UNESCO.

Articles selected will be translated into Hindi from the English edition of *Diogenes* by reputed translators and deal with the latest issues in the field of History, Sociology, Political Science, Philosophy and Methodology of Science, Criticism, Linguistic and Philosophy. They would be of interest to both students and teachers of the various subjects in the social sciences and humanities.

The first issue consists of the following articles which have been selected for translation by members of the Editorial Committee and would be available by the beginning of August, 1983 :

1. Cultural Interaction between Ancient India and Iran : Sri Rama Indra Deva.
2. Will philosophy bury its undertakers : John de Lucca.
3. Science, Technology and Values : Daya Krishna.
4. Is Scientific objectivity possible without measurement? Evandro Agazzi.
5. Machiavelli : Leonid M. Batkin.

All those interested may remit Rs. 5/- for their copy. The second issue is expected by January, 1984.

DAYA KRISHNA
Chief Editor.
