AVISHKAR-2009-10

University of Pune students are once again showed their outstanding performance by winning the Overall Championship for the third time in a row in the state level Inter University Research Project Competition, **AVISHKAR**. This activity has given a momentum in inculcating research among the UG/PG/Doctoral students.

In the year 2009-2010, we are planning to organize competitions at ten places in three districts. It is expected that this year we will have maximum participation of projects at regional level. Larger participation will help to select the best projects for the final competition.

Academic & Research Coordinator,

INNOVATION 2009-10

The University of Pune has taken path breaking initiative by sanctioning as many as one thousand research projects to the University and College Teachers during last three years. This has given a great impetus to the research activities at the college level in order to facilitate the interaction among these teachers and evaluate the research work done by teachers and provide guidance in respective disciplines; BCUD has decided to organize faculty-wise Research Conference at various places. All the teachers working on BCUD Research Proposals and other interested Teachers will necessarily participate in these conferences. National Research Conference which will be organize for selected Teachers from these conferences by BCUD during the month of April -2010 in the University Campus. The details of the proposed places are as follows.

Principal Investigator is requested to send the abstracts along with BCUD sanction letters to the respective places on or before 20th November 2009 and confirm their participation. Teachers are expected to present their work in the form of Oral (2007-2008) and Poster (2009-10).
