INNOVATION 2008

Regional Conferences for Pune University College Teachers

The University of Pune has taken path breaking initiative by sanctioning about one thousand research projects to University and College Teachers. This has given a great impetus to the research activities at the College level. In order to facilitate the interaction among these Teachers, the Board of College and University Development is organizing two days' conferences at nine various places in the month of November, 2008. All the teachers working on BCUD research proposals and other interested Teachers will necessarily participate in these conferences.

Principle Investigators are requested to send the abstracts along with BCUD sanctioned letters to the respective places on or before 5th Nov 2008 and confirm their participation. Teachers are expected to present their work in the form of Oral (for 2006-07 Projects) and Poster (for 2007-08 Projects).

The details of the proposed places and dates are as follows
