Applications are invited for the post of Junior Research Fellow (JRF) (One post) on purely temporary basis in the research project entitled “Production of synthetic seeds in *Agave sisalana* per. Ex. *Englem.* For reforestation in the hilly barren land.” funded by UGC, New Delhi-100 002. This appointment is strictly for the project only and does not allow to claim any permanent job or position in the University. This post is a tenure post and the terms and conditions of appointment are as laid down by UGC for the major research project. The salary for appointed JRF will be Rs. 8,000/- (as per the sanction from funding agency and Pune University rules) per month. The essential qualification is M.Sc. in Botany.

Application with Bio-data should reach to Dr. T. D. Nikam, Department of Botany, University of Pune through email tdnikam@unipune.ernet.in on or before 18th February 2010. The candidate should bring copy of the application and biodata with attested copies of certificates and original certificates at the time of interview.

All applicants must appear for an interview on 20th February 2010 at 11.00 AM at the Department of Botany, University of Pune. No separate call letter for the interview will be issued. No TA/DA will be given to the candidate for attending the interview.

Dr. M. L. Jadhav
Registrar
