Dear Madam/Sir,

This is with reference to this office letter of even no. dated 26.11.2011 regarding Guidelines on Discontinuation of Dissection and Animal Experimentation in Zoology/Life Sciences in the institutions of higher education. The Commission has been receiving complaints regarding non-implementation of these Guidelines. You are requested to kindly ensure the compliance of these guidelines by all the departments of your university as well as the colleges affiliated to your university. This may be treated as important and full compliance of the Guidelines may be ensured failing which UGC may consider to stop grants to the defaulting universities or post the name of such universities which are not getting any grant from UGC, on the UGC website.

With regards,

BCUD  
RMK
